2018 Annual General Meeting

CEO Presentation

Brodie Arnhold

25 October 2018

Overview of key operating metrics in FY18

- Energy leads growth underpinned by utility price rises
- Health leads negatively impacted by declining Private Health Insurance participation levels
- Significant investment in the ineffective Brand campaign, via 'Above the Line' channels saw overall marketing efficiency reduced. This has now been addressed

- Shift towards return customers to drive multiple sales and customer value
- Gross revenue per customer increased by 2.6% from \$463 per customer to \$475 per customer

- Health revenue impacted by an ineffective marketing campaign
- However Health RPS improved due to continued success among the older demographic
- Revenue growth in Energy & Telco as well as General Insurance, reflecting improved operating efficiency and a focus on multi-product sales, driving higher RPS per customer

- Strong operational focus saw conversion increases in Health, Life, General Insurance (GI) and Energy
- Underpinned by a greater focus on Cross-serve

- Sales growth driven by the new GI verticals
- Energy sales continued to grow on the back of strong market demand

Technology initiatives and marketing mix optimisation

Key product and technology investments:

- Building internal design and technology capability through investments in best practice Product, Data Science and Technology teams in Melbourne
- Uplifting our legacy technology stack with a focus on:
 - Implementing a customer profile to better service return customers
 - Improving up-sell and cross sell opportunities for multiple products online and via our website
 - Improving customer experience, search and discovery online
 - Upgrading our telephony system to leading platform

Key marketing initiatives

- Focus on EBIT positive ROI for all marketing activity
 - Best practice and core execution, along with improved tracking and analysis is being implemented
- Changes to marketing approach
 - Immediate shift away from underperforming marketing activity in Q4 FY18
 - Significant redirect of marketing mix to minimise non-productive marketing costs
 - Exit of under-performing agreements, contracts and agency relationships
 - Internalisation of resources and execution
 - Restructure of marketing team

iSelect

Billusionist - New marketing campaign achieving traction with consumers

iMoney integration progressing as planned

- Progress priority growth & governance initiatives
 - Dialler & Propensity Implementation
 - Inbound and Web optimisation
 - Regulatory & compliance survey
 - End point security
 - Finance reporting integrations
- Establish operating Rhythm
 - Periodic huddles & prioritisations
 - Joint business planning
 - Resource share & collaboration
- Strategic planning & alignment

Strong Q1 FY19 reflects profitable growth initiatives

Strong financial performance in Q1 FY19 vs Q1 FY18

- Positive EBIT (low single digit) result in Q1 FY19 vs loss in Q1 FY18
- Turnaround in the business reflects:
 - Optimised lead mix driving improved marketing efficiency
 - Strong conversion rates
 - Combined these are delivering strong sales units
 - Continued efficient management of overhead costs

Early signs in Q2 FY19 show continued positive trend

Looking forward – sustainable profitable growth in FY19

- Revitalised senior executive team focused on operational performance and sustainable, profitable growth
- Strategic initiatives will continue throughout FY19
- Initiatives implemented over Q4 FY18 and Q1 FY19 are delivering tangible results. Still have changes to get right.
- Investment in technology to improve customer experience and underpin long-term growth
- Ensure iSelect continues to make it easier for customers to transparently compare services and make informed decisions to renew, buy and save through ongoing work with commercial partners, regulators and government
- Performance over Q1 FY19, featuring more effective marketing, leads optimised, strong conversion rates and higher profits ahead of budget, gives the Board confidence of a promising year ahead and a trajectory that should see iSelect return to its historic profitability over the short to medium term
