

iSelect announces special dividend and dividend program

27 April 2021: iSelect (ASX: ISU) (“The Company”) is pleased to announce a special dividend and dividend program.

As indicated in its FY21 H1 results, the Working Capital outflow associated with Trail Revenue continues to decrease and this positive trend is expected to continue. Given this trend, the Company has assessed a range of capital management options over the last 12 months, including the consideration of various acquisition targets. The Board has determined that the best option for the Company at this point is to provide a special dividend to shareholders followed by a regular dividend program during FY22.

Special Dividend

iSelect will be paying a special dividend of \$0.01 per share on 22nd June 2021. This dividend does not relate to a specific period and will be unfranked. The Company confirms the following dates in relation to Special Dividend payment:

- Ex-dividend date: 1st June 2021
- Record date: 2nd June 2021
- Payment date: 22nd June 2021

Dividend program

iSelect will continue a regular dividend program during FY22, at an initial level of \$0.01 per share, to be paid every half year (\$0.02 per share, annually). The dividends will be unfranked initially, until such time that a sufficient franking balance has accumulated. The first dividend payment in this program will be made in March 2022.

Authorised for release by the Board of iSelect Limited.

About iSelect

At iSelect, we’re passionate about helping Australians with their household bills and save time, effort and money. We are Australia’s go-to destination for comparison across insurance, utilities and personal finance products made available from our range of providers and our service is provided at no cost to the customer.

We compare a wide range of Australia’s leading brands but unlike other comparison sites, we are not owned by an insurance company. Our trained consultants help Australians to compare, select and save. www.iselect.com.au
