We can advise on and deal in a range of life risk insurance products including Term Life, Total & Permanent Disablement, Trauma, Income Protection, Business Expenses and Funeral Plans.

iSelect Life uses and maintains an Approved Product List. We use an external comparative software tool which researches and provides comparisons of the financial products on our Approved Product List. Our

If we provide personal advice, it is limited in scope to recommending an appropriate product(s) available from our Approved Product List, and it is based solely on the information you provide us.

If you provide us with information that is incomplete or inaccurate, then any advice we provide will be based on this information. In this situation, you must consider whether the advice is appropriate, having regard to your relevant personal circumstances.

If we provide general advice regarding insurance products and providers, this will be done so without taking into account your financial situation, objectives, needs or whether the product or its features are appropriate for you. In light of these factors, before you decide to act upon our advice, you should consider whether it is appropriate for your needs.

You can provide instructions to us by contacting us by phone or online – see over for details.

Your Life Insurance Adviser will only provide advice with a limited scope (detailed in the SOA) on an insurance product selection. Your Life Insurance Adviser may need to make reasonable enquiries about your current financial situation and future needs.

How do we Provide Our Services?

We act as an intermediary offering you financial product advice in relation to risk insurance products from our Approved Product List. If you choose to apply for, or vary, an insurance product using our service, we will act on behalf of the relevant Insurer in arranging that policy for you.
